

## PROSPECTIVE NEW PATIENT QUESTIONNAIRE

Thank you for your interest in **Be Hive of Healing** and our doctors: **Dr. Habib Sadeghi** and **Dr. Robert Gross**. We are committed in providing care for our existing patients as well as extending our services to prospective new patients who are open to healing through integrative medicine. Our doctors will review each request on an individual basis and one of our medical staff will contact you regarding the status of your request. Please note that we currently have a large number of new patient requests as well as a patient waiting list which may delay the new patient scheduling process. We appreciate your patience and cooperation. In the meantime, be sure to seek the professional medical attention that you must receive if you have an existing medical condition.
